## NEWSLETTER AUGUST 2017

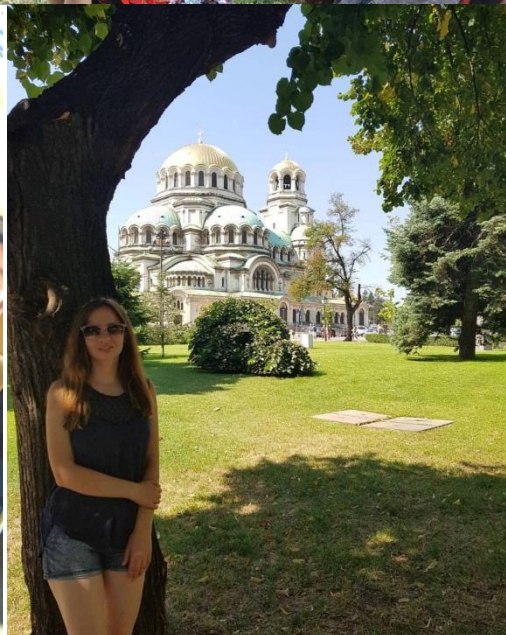

### 1. Vacation

We had our summer vacation from 28/July until 16/Aug, Natali was in Baku (Azerbaijan) in World Scouts Conference, Semih visited Moldova and Turkey, Sarah and Giorgi visited Serbia and Bulgaria, and "poor" Suhaib only visited Mamaia and Brasov, but he love Romania and he enjoyed more than the other guys.

## 2. “Add color”

After our vacation, the schools were still in summer holiday, so we started to decorate the school on our way, we started to draw and paint some drawings to motivate the students, the drawings gave to the schools a positive energy and spirit, it took us one week to finish.

### 3. Dragaciclism club

We prepared another activity for our cycling club, we made a track, and unfortunately only six kids came, but we continue our activity with them and it was nice, we gave them three attempts each and counted the best timing for them.

#### 4. Forum theatre training

Our organization held a training for us and other volunteers in other projects, the training was about a non-formal education method, that depends on creating a play with a negative ending, and giving the target audience an opportunity to interfere and give a solution, it depends on brainstorming and apply the solution in the play.
