NEWSLETTER OCTOBER 2017

1. Education Day

We made our activities at Colegiul National Gib Mihaescu in Dragasani. We've had approximately 80 students and they've been very enthusiastic about the exercises.

"Sustainable Education" have been the main theme today we've talked about the importance of an educational improvement to make a planet healthier and prosperous and we've talked about the importance of teamwork, collaboration among all to improve our education and so our society.

Erasmus+

2. Save our planet

Green Life team has continued the workshop of "Save our planet" at Liceul Tehnologic Bratianu in Dragasani.

We went to one class and we gave to them some information about how the planet is changing because our behavior with the environment is not the best one than we can do. We believe that this activity is helping to involve young people more in the care of the environment!

Erasmus+

3. English Speaking Club registration

We started registration in our "English Speaking Club". We created online form and posted in our Facebook page and established days when students can come and register it was 31th of October and 1 of November. 21 of students came to register or apply online for our "English Speaking Club".
