### 1. English Speaking Club

Our English Speaking Club started after Christmas Holiday and we didn't see our students for a long time. Of course first topic of our discussions was "How did you spent your Holiday?".

In this month we also were trying to debate, the main topic were zoo and tobacco, we also did a storytelling exercises with different characters, actions and situations, next we've done an exercise that consisted of telling a story with origami.

Last week of month our main topic was "Why is important to have a healthy lifestyle?": we were talking about health, nutrition, sports and environment. We tested how our health was with a test of twenty questions and to finish we saw a video with different tips to improve our quality of life.

Besides we made a presentation about how to improve our healthy lifestyle. We also did new energizers like "I have a pan", "Jump", "Horses" and we sang songs "Hallelujah" by Leonard Cohen and "Zombie" by The Cranberries.
