## NEWSLETTER FEBRUARY 2018

### 1. Tea party

We had Girls Tea Party in Tudor Vladimirescu School. It was interesting and funny meeting, we were dancing national and international Pop music and drinking black and fruits tea. The conversation was entertaining and enjoyable, we talked about how was the weekend and how were the exams.

### 2. English Speaking Club

That day we had a important lesson in our English Speaking Club, we were talking about health, nutrition, sports and environment.

Besides we made a presentation about how to improve our healthy lifestyle. We made a test to control our health habits.

## 2. English Speaking Club

It was our last day in the club and while we were talking about the future of our students, we were telling our experience in the University, all of us were drinking water and juice and eating chips and a Romanian pie. It was a very emotional evening.

## 3. Green Life Last Conference: A year in a life

Our last conference was in Biblioteca Municipala at Dragasani on 28 February. We divided the presentation in three parts, Semih and Giorgi started with “What is EVS?”, Natali and Suhaib were talking about the activities that we did in the year, they prepared a video with our activities and a game to guess some facts about our countries, the number of activities, students, clubs that we had in whole year.

We played with our guests game about our languages - they needed guess how say “Salut”, “Mulțumesc” and “Te iubesc” on Arabic, Georgian, Spanish, Ukrainian and Turkish. Sara and Tamuna prepared a game with questions about places in Romania that we visited.

People from Ramnicu Valcea came to participate and students from Liceul Tehnologic were talking about their internship in Spain and in Portugal. We were more than two hours and it was a nostalgic and last one conference for Green Life team.
